

Stackable Energy Storage System

- ◆ 51.2V 280Ah
- ◆ 8000+ Cycles
- ◆ 10 Years Warranty

THE TWO MODULES ARE STACKED IN SERIES

- ◆ **Core Technology**
Home stacked mounted batteries provide tremendous energy storage, greatly reducing battery investment and maintenance costs
- ◆ **Strong driving force**
The large capacity battery can meet the power of the whole house, day and night power supply
- ◆ **Just Plug & Play**
light weight compact size, vertical or wall mounted structure, more space-saving, greatly reducing battery investment and maintenance cost

- Built In BMS**
BMS management system, reduce equipment no-load loss, the actual use of more than 98% efficiency
- Cycle life 8000 times**
With Lithium iron phosphate battery. Stay safe with battery storage at Home
- Large capacity**
51.2V 280Ah EVE Grade A Cells
- Widely Application**
Suitable for most mainstream brands of inverters
- Installation Easy**
Wireless connection, using male and female plugs, without the need for complex acceptance steps
- Warranty and Service**
20 years technical support
10 years warranty

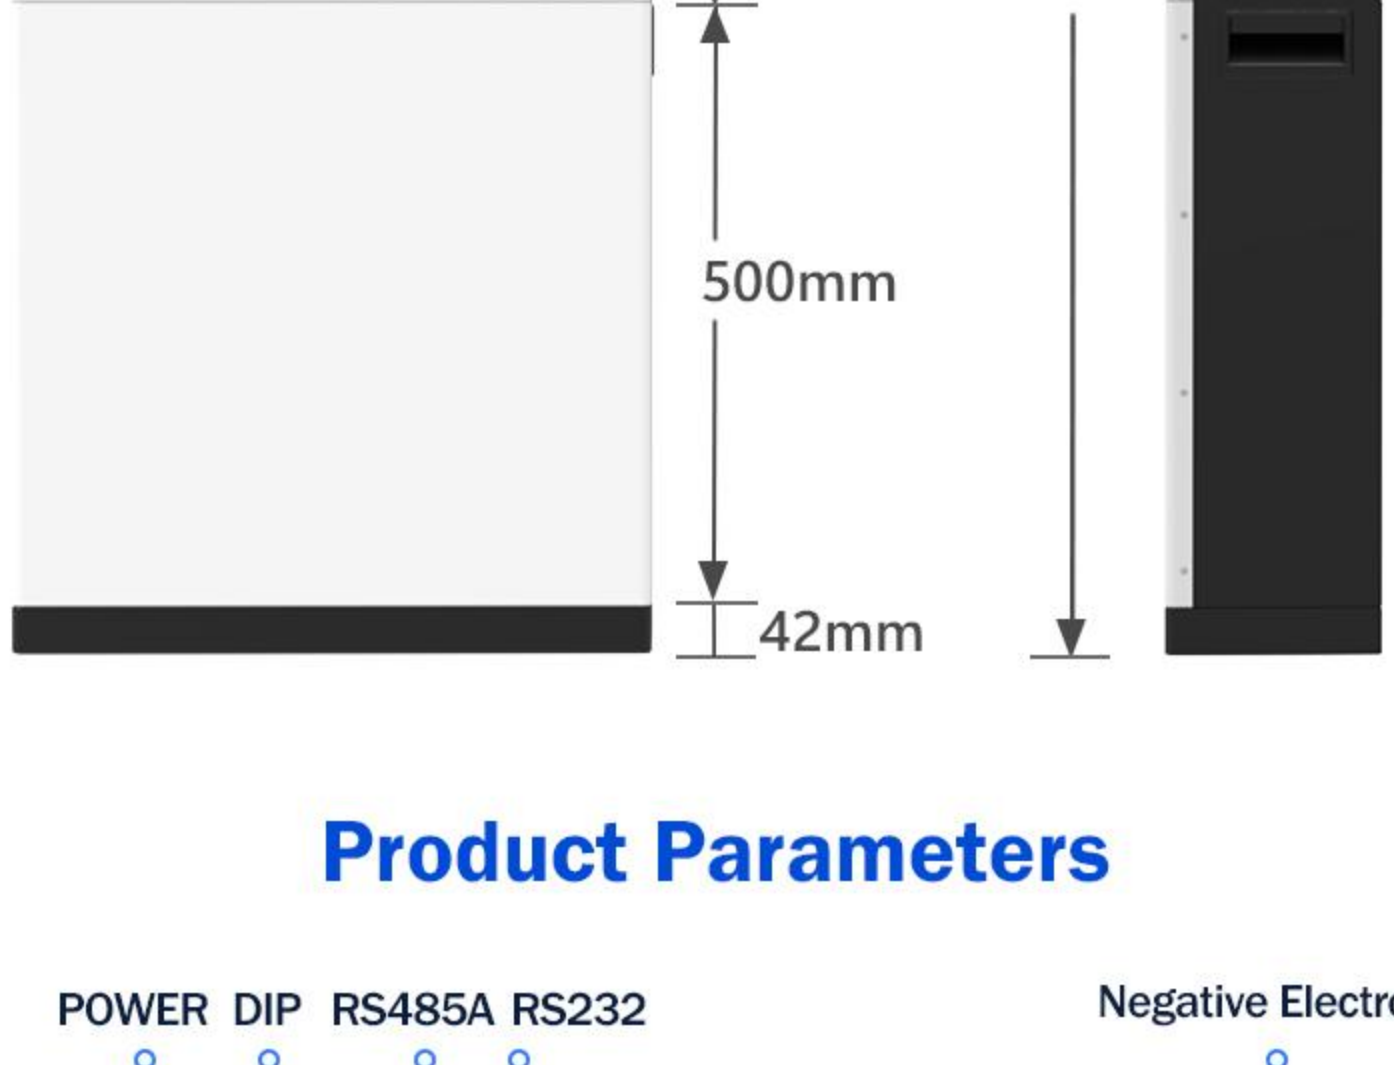

BMS management system

Battery Module Will be Monitored By Smart BMS Safe and efficient multiple protection functions

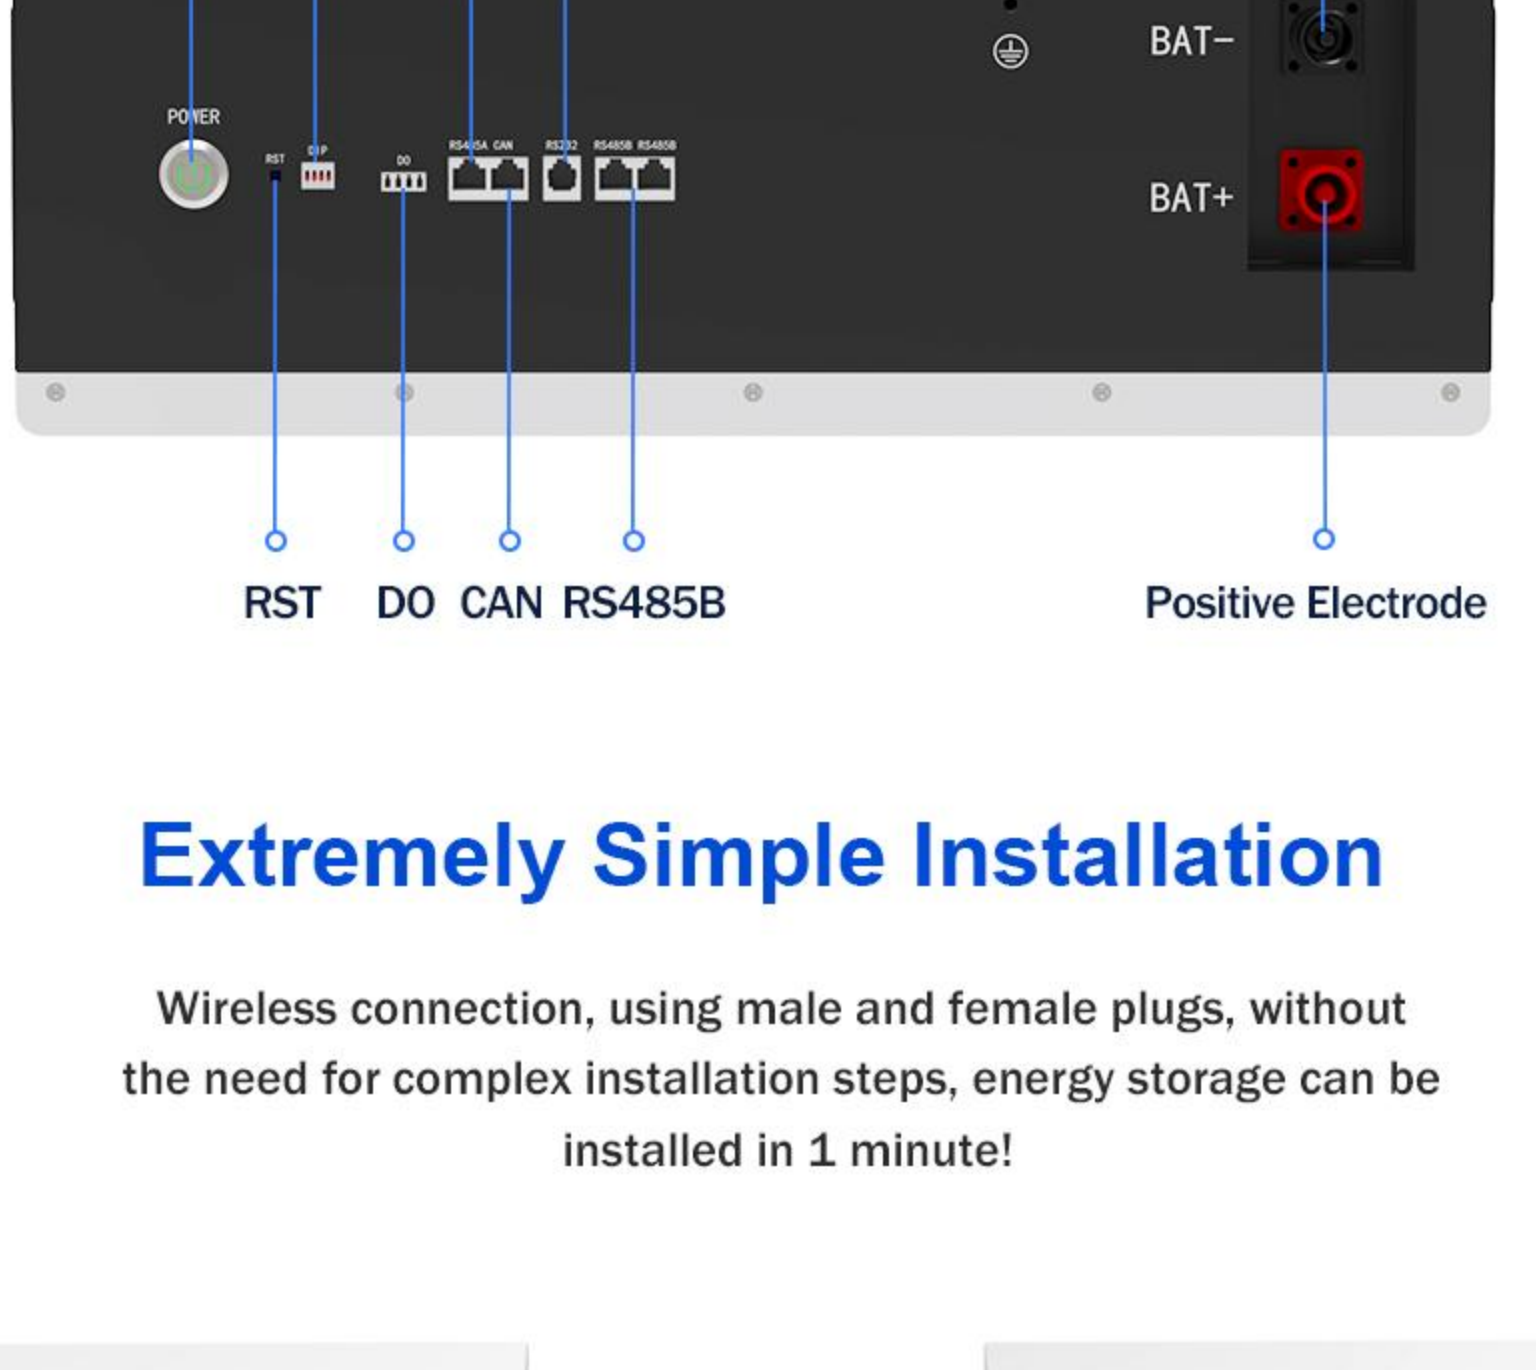

- Short-circuit protection
- Over-charging protection
- Over-discharging protection
- Automatic insulation detection
- Low temperature protection
- Pre-charging circuit
- Real-time circuit monitoring
- Smart circuit alerts

Product Parameters

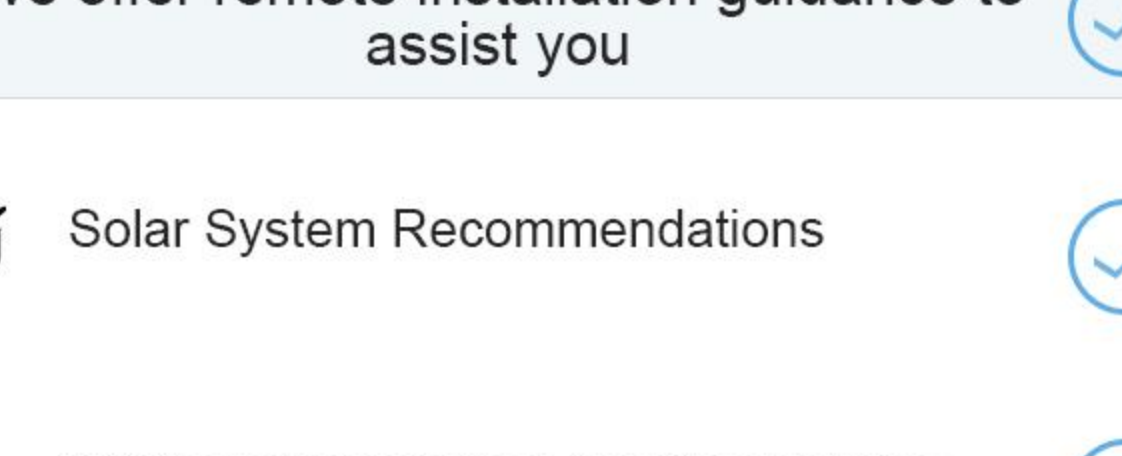

Extremely Simple Installation

Wireless connection, using male and female plugs, without the need for complex installation steps, energy storage can be installed in 1 minute!

Male and female plugs

Free Customized Energy Storage Solution

- Get round-the-clock technical support from Asgöft engineers. ✓
- We offer remote installation guidance to assist you ✓
- ✓ Solar System Recommendations ✓
- ✓ Within warranty period, functional failures applicable for free replacement ✓
- ✓ Remote Fault Diagnosis ✓
- ✓ If you need assistance with expanding your capacity or replacing a module, I'm here to help ✓

Widely Compatible

- more brands...
- SRNE | SMA | Goodwe | Growatt | PYLONTECH
 - Deye | Longsheng | TBB | MUST | LUX
